Reach for the Stars - The Company Showcase

Did you know we are home to **DAW The Company**, a group of students who dance competitively, represent our studio at local events and festivals, and take part in extra dance opportunities outside of the studio! The Company will be performing their special competition pieces on Saturday, February 2nd at the Carrollton Cultural Arts center. We would love to see all of our non-company dancers at the show! You can purchase tickets at <https://cprcad.myboxoffice.us/> and click on *Reach for the Stars*. If you come see the show, hold onto your ticket stub, and turn it in at the DAW front desk Monday, February 4 - Thursday, February 7 and you will be entered into a drawing for a free performance fee valued at \$100. Be sure to write your dancer's name on each ticket turned in. Only original ticket stubs will be accepted.

Performance Fee - auto drafted February 15th

The performance fee includes a link to download recital music and practice videos (which will be e-mailed to you by April 1, 2019), a special congratulatory gift for your dancer, a memory program, and new this year...a digital copy of all four shows!

Costumes Have Been Ordered!

All costume orders have been placed. The costumes this year are so BEAUTIFUL! We will be distributing them during Costume Week, March 25-29. Please be sure that you have your account paid in FULL by costume week, so that your dancer can bring their costume(s) home. Please plan on attending the last 15 minutes of your child's class(es) during costume week.

Recital Info

Within the next few weeks, we will be e-mailing the **Recital Info Packet**. It will contain EVERYTHING you need to know to start planning for the May recital, including rehearsal times, show times, and more! Please read through the **Recital Info Packet** before Costume Week.

NEW this year...Memory Program

This year our recital program will include places for friends to sign, fun facts, AND a special congratulatory ad section. Forms to purchase a congratulatory ad will be included in the upcoming Recital Info Packet.

Attendance

Instructors will begin working on recital dances this month. Good attendance is very important.
