Costumes!

Costume were ordered over the break! More info to come soon on costume week...we are so excited!

Attendance

Instructors will begin working on recital dances this month. Good attendance is very important. To ensure that your child is able to participate in all sections of their dances, please be sure they only miss dance if they are sick with a contagious illness or have a family emergency.

Hair Ties \$0.25

Please have your dancer's hair tied back for class. Beginning in January, if your dancer's hair is not tied back, we will be happy to provide a hair tie for your dancer and place a \$0.25 charge on your account.
