Dynamite Dancer for November

Congratulations to our October Dynamite Dancer, Christina! Christina has been dancing for six years and her favorite style of dance is Musical Theater. Her hobby outside of dance is acting. Christina is in fourth grade at Brighten Academy, where her favorite subject is science. Christina is a joy to have in class, she always tries her best and has a big smile on her face! Christina will receive a \$25 credit on her account for receiving the Dynamite Dancer award.

We're THANKFUL for YOU!

This month, as we reflect on the things we are most grateful for, we are quick to think of our precious students and their wonderful families. Here at DAW we are more than just a studio, we are family. Thank you for choosing us - and Happy Thanksgiving!
