Hair

Unless otherwise noted, hair should be pulled back and slick in a neat dance “donut” bun on the crown of the head. To secure the bun, hair pins work better than bobby pins. Placement of hair piece will vary depending on class and will be reviewed during costume week. Not all dances will have a headpiece. Pack ALL hair accessories in dance bag and include bobby pins and hair pins.

*Dancers in Hip Hop 1/2 and 3/4 need to get their own black baseball cap. It needs to be adjustable so that the pony tail can fit through the back.

Make-Up

Pre-Dance students should wear blush and lipstick. Mascara is optional.

Level 1-4 students should wear blush, lipstick, neutral colored eye shadow, and mascara. False eyelashes are optional. No blue or dark eyeshadow.

Dance Bag

All dance bags should include hair accessories, costume accessories, make-up for touch ups, hair pins, bobby pins, a brush, a water bottle with name, and a safe snack such as crackers. No chocolate, candy, or messy snacks please!

PLEASE PUT YOUR DANCERS NAME IN EVERYTHING.
