Purchase Your Summer Class Card

Be sure to log into your account and purchase your class card. Elite Co members are required to purchase a 20 class card for \$200 and Apprentice Co members required to purchase a 10 class card for \$120 to be used during the 7-week summer session which begins on June 5, 2018, and ends on July 19, 2018. **The deadline to purchase cards is June 1, 2018.** After June 5th, a 5% late fee will be applied to your account and the account will be auto debited. All dancers are expected to take ballet, jazz / contemporary, and technique during the summer session and these foundational classes should take priority over other disciplines. If you have questions as to what level your dancer needs to take for the summer, please email us and we will answer you promptly.

Competitive Dances

We will be working on grouping dancers into competitive routines in the next few weeks. Our goal is to have the specific number of routines, apprentice 1 or 2 and elite 2 or 3, to you with dates of choreography by June 25 if not before. Please remember that the decision as to how many routines your dancer is in is based on experience and ability.

Fall Classes

The fall schedule should be out by June 11. Each member will be pre-approved for his or her required classes and specific schedule. Members, or parents of members, must log into their online account and select "Enroll in my pre-approved classes" and pay the registration fee no later than **August 1, 2018**. Also, please enroll in additional non required classes at the same time.
